Student Self-Assessment & Reflection Form The purpose of transition assessment is to collect data on the individual student's strengths, preferences, interests and needs as they relate to the demands of current and future working, educational, living, and personal and social environments. Transition assessments aid in developing

### **Student Self-Assessment & Reflections**

self-assessment is a process that involves establishing strengths, improvements, and insights based on predetermined performance criteria. In this paper we will perform a comparative analysis of reflection and self-assessment, clarifying the differences in definition, methodologies, and results.

### **A Comparative Analysis of Reflection and Self-Assessment**

Reflection for feedback versus reflection for overall assessment. Often, we use reflection as a method for students to make meaning of what they are learning and a way for us to give them feedback on that meaning making.
