I'm an international Student on F-1 Visa I currently live in Hi, I'm an international Student on F-1 Visa I currently live in an apartment near my college. I have a vacation home two hours away from me and thought I could make some passive income.

I am an international student and sell stuff on amazon

I have never had a good experience with international edition books. I am not selling them so I will be completely candid about my experience. Not only are they of poor quality, they are very different than American versions.

International Textbook Editions: A cheaper alternative

What is an international edition textbook? An international edition textbook has been published at a lower production cost for sale in foreign markets. Distributors overseas then re-sell the titles to customers in other parts of the world at a much lower price. International edition textbooks save students an average of 50% over the prices ...

Buying International Edition Textbooks - Biblio.com | Used

An International Edition textbook is simply the international counterpart to a US Edition. Most international editions have slightly different covers, many have different ISBNs on the outside covers (although some have

the same ISBN as the US edition on the inside), but are still printed on high-quality paper.

International Editions - TextbookRush

Opportunity to sell international edition textbooks back to us when your class is over Buy an international textbook from TextbookRush for your next course, and save a big chunk of change in the process.

International Edition Textbooks for Sale or Rent

1. is it legal to sell international student editions textbook in united states? or will i get in to trouble (law suit) by the publisher if i sell ISE textbooks in US? 2. ISE books that printed with the phrase "Not for Resale in US" has no bearing on legal action due to copyright law overruled by ...

1. is it legal to sell international student editions

Consider international editions - textbooks that have been published outside the US. These books are usually significantly cheaper than textbooks published in the US. Offering tremendous value, international edition textbooks are created to be sold in different regions and are often printed on cheaper paper and are usually softcover.
