Biology: Books | eBay

An International Edition textbook is simply the international counterpart to a US Edition. Most international editions have slightly different covers, many have different ISBNs on the outside covers (although some have the same ISBN as the US edition on the inside), but are still printed on high-quality paper.

International Editions - TextbookRush

However, the sellers often mark up the selling price from the original (brand new) international edition price, knowing that it would still turn out cheaper for a north american buyer and the seller can still make a profit on it.

Difference between International edition of a book and a
