No one except for authors, publishers, and booksellers believes that college textbooks are reasonably priced. I have been involved with a number of projects over the years to reduce the cost of textbooks, most of which focused on open educational resources (OER), which may be the topic of a future post.

A minimum wage is the lowest remuneration that employers can legally pay their workers. Equivalently, it is the price floor below which workers may not sell their labor. Although minimum wage laws are in effect in many jurisdictions, differences of opinion exist about the benefits and drawbacks of a minimum wage. Supporters of the minimum wage say it increases the standard of living of workers ...
