Women's suffrage in the United States of America, the legal right of women to vote, was established over the course of more than half a century, first in various states and localities, sometimes on a limited basis, and then nationally in 1920.. The demand for women's suffrage began to gather strength in the 1840s, emerging from the broader movement for women's rights.

The history of the United States began with the settlement of Indigenous people before 15,000 BC. Numerous cultures formed. The arrival of Christopher Columbus in 1492 started the European colonization of the Americas. Most colonies formed after 1600. By the 1770s, thirteen British colonies contained 2.5 million people along the Atlantic coast east of the Appalachian Mountains.
