The year 2012 involved many significant scientific events and discoveries, including the first orbital rendezvous by a commercial spacecraft, the discovery of a particle highly similar to the long-sought Higgs boson, and the near-eradication of guinea worm disease. A total of 72 successful orbital spaceflights occurred in 2012, and the year also saw numerous developments in fields such as ...

Agricultural Universities or 'AUs' are mostly public universities in India that are engaged in teaching, research and extension in agriculture and related disciplines. In India, agricultural education has evolved into a large and distinct domain, often separately from other areas of higher education. Many of these universities are member of a registered society, the Indian Agricultural ...
