A MANUAL FOR DEVELOPING YOUR OWN SERVICE-LEARNING PROJECT

Project-based learning (PBL) is a student-centered pedagogy that involves a dynamic classroom approach in which it is believed that students acquire a deeper knowledge through active exploration of real-world challenges and problems. Students learn about a subject by working for an extended period of time to investigate and respond to a complex question, challenge, or problem.

Community service is a non-paying job performed by one person or a group of people for the benefit of the community or its institutions. Community service is distinct from volunteering, since it is not always performed on a voluntary basis. Personal benefits may be realized, but it may be performed for a variety of reasons including citizenship requirements, a substitution of criminal justice ...
