High School Graduation Requirement or Credit toward Graduation - Service-Learning/Community Service January 2014 This report highlights each state's high school graduation requirements or credit allowed toward graduation for service-learning/community service.

High School Graduation Requirement or Credit toward

Community service is a non-paying job performed by one person or a group of people for the benefit of the community or its institutions. Community service is distinct from volunteering, since it is not always performed on a voluntary basis. Personal benefits may be realized, but it may be performed for a variety of reasons including citizenship requirements, a substitution of criminal justice ...

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.

The Importance of Play in Promoting Healthy - Pediatrics

The National Joint Committee on Learning Disabilities (NJCLD) 1 strongly supports comprehensive assessment and evaluation of students with learning disabilities by a multidisciplinary team for the identification and diagnosis of students with learning disabilities. Comprehensive assessment of individual students requires the use of multiple data sources.
