

services marketing 6th edition pdf

Services marketing is a specialised branch of marketing. Services marketing emerged as a separate field of study in the early 1980s, following the recognition that the unique characteristics of services required different strategies compared with the marketing of physical goods.. Services marketing typically refers to both business to consumer (B2C) and business-to-business (B2B) services, and ...

The marketing mix (also known as the 4 Ps) is a foundation model .The marketing mix has been defined as the "set of marketing tools that the firm uses to pursue its marketing objectives in the target".Thus the marketing mix refers to four broad levels of marketing decision, namely: product, price, promotion, and place. Marketing practice has been occurring for millennia, but marketing theory ...
